

## Los Angeles County Commission for Women

*President's Report: May 12, 2014*

It is hard to believe that yet another month has passed by, with Spring holidays over as we cross of the days leading to the end of the academic school year and graduations. We are also ending our Commission fiscal year, and finalizing many of the initiatives undertaken this year. We continue to celebrate the new appointees to our Commission and applaud our supervisors for making this a priority.

Below find a summary of my primary activities since our last meeting:

- ❖ AACW Spring Call: Call for nominations for officers, discussion about state women's conference in Long Beach, and National Association Commission on Women in Sarasota FL
- ❖ LACCW Education Committee Conference Call
- ❖ Attended American Planning Association national conference in Atlanta, GA and participated in session on *adding a gendered lens to local, city and regional planning*
- ❖ RUTH Youth Rebuild; Canoga Park (Recreation & Community Development Class presentation on resiliency for 16-24 year-old high school dropouts)
- ❖ Conejo Valley Pi Beta Phi presentation on holistic wellness (Fit 2 a T, *No Woman, No Cry* and happiest cities in the world/Blue Zones)
- ❖ Response to numerous staff emails
- ❖ Preparation for California Women's Conference in Long Beach (LACCW logo items)

This is the busiest time of my academic semester as we wind down formal instruction and head into finals, followed by summer internships and commencement ceremonies. LA County Leadership conference will be coming soon, along with our scholarship awardee recognition events.

Thanks to our amazing staff and each of you for keeping our commission active and visible.
